MEMBER ENGAGEMENT AT TEMPLE BETH ELOHIM

As you think about what membership at TBE means to you, think about how you can be engaged in and connected to the life of our vibrant community. Learning (Torah), worship (Avodah) and acts of loving kindness (Gemilut Chasadim), guide us as we plan programs for our community. We invite you to participate in our myriad of committees, programs and classes. Check the box next to all items of interest and we will facilitate the connection. See our website (www.tbewellesley.org) for details and additional contact information.
