Parashah

PARASHAT NOACH Genesis 6:9–11:32

Parashat Noach tells the story of God’s decision to destroy the earth with a flood because of the wickedness in the world. Noah was told to build an ark for his family and pairs of every kind of creature. After the Flood, those aboard the ark rebuilt life on earth, and God promised never to send another flood. Later, human beings decided to build a city and a tower that would reach from earth to heaven. Seeing what they were doing, God scattered them all over the earth and gave them different languages to speak.
