Our Goal

The goal of all HOD activities is to help participants remain housed.

HOD is a model used on the appellate level, to disrupt the process Housing Authorities (HA) use to exclude JusticeImpacted individuals (JII) from obtaining public housing.

Our Hands On Defense model is 98% successful in reversing denial of public housing and denial of housing voucher.

Hands On Defense Network Certificate:

- Public Housing Appeals
- Collect Mitigating Factors
- Landlord Mediation
- Eviction Prevention
- Reasonable Accommodation
